Campers need to be able to swim.

Skills:

Skills that will be taught include: using a snorkel, learning to swim with a mask, snorkel, and fins, controlling the puck, throwing the puck, and learning the forward and back positions in an underwater hockey formation. More advanced skills like running an "end around" will also be taught. Each day at the camp will include time dedicated to learning new skills, practicing already acquired skills as well as scrimmages between teams of campers.
